“My Space and the Workplace: What Employers Need to Know About Social Media”

Speaker: **John McKelway, Esq.**
Partner
McCarter & English, Attorneys at Law

Healthcare is at the forefront in pioneering uses of Social Media, and we have all heard about Facebook, MySpace, Twitter, and LinkedIn. At the same time, HR professionals face a daunting landscape of privacy, security and liability concerns, including HIPAA that impact the use of these rapidly evolving technologies in the workplace. Learn what you can do, can't do, and should do in managing these risks, including proactive strategies such as policies, training, best practices and cyber liability insurance.
